Dear Sir:

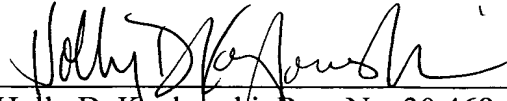

In accordance with the Notice to File Missing Parts of Nonprovisional Application-Filing Date Granted dated February 1, 2002, submitted herewith are the following:

- (1) Diskette containing corrected Sequence Listing in computer readable form;
- (2) Paper copy of corrected Sequence Listing; and
- (3) Copy of Notice to File Missing Parts of Non-Provisional Application.

The corrected Sequence Listing indicates Xaa at location 93 in SEQ ID NO: 2. It is believed that the corrected Sequence Listing does not add any new matter to the application. The sequence listing information recorded in the computer readable form is identical to the written sequence listing. The government surcharge and remaining items required in the Notice to File Missing Parts are submitted on even date herewith to Box Missing Parts under separate cover.

It is believed that this represents a complete response to the Notice. Please charge any additional fees required, and credit any excess in fees paid, to Deposit Account No. 04-1133.

Respectfully submitted,
